Re: CC Docket Nos. 96-149 and 98-141, Petition of SBC for Forbearance
From the Prohibition of Sharing Operating, Installation and Maintenance
Functions Under Sections 53.203(a)(2) and 53.203(a)(3) of the
Commission's Rules and Modification of Operating, Installation and
Maintenance Conditions Contained in the SBC/Ameritech Merger Order

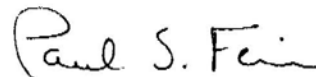

Dear Ms. Dortch:

SBC Communications Inc. hereby files (a) a redacted version of the data and calculations with respect to the costs to SBC of the OI&M restrictions (the "OI&M Costs Data") and (b) the confidential treatment request and proposed protective order for the unredacted version of the OI&M Costs Data. These materials were originally filed with the Secretary on June 16, 2003, and are being filed again at the request of the Commission's Staff. These materials are not confidential and should be placed in the public record.

We are not filing another a copy of the unredacted version of the OI&M Costs Data, and the copy that was filed on June 16, 2003 remains subject to a confidential treatment request and so should not be placed in the public record.

Thank you for your assistance.

Sincerely,

Paul S. Feira
Counsel for SBC Communications Inc.
